COMMUNITY SERVICE – 1967-68

Most of the Community Service projects of the school have been approached through the nine houses. Since welfare work of Singapore is well covered by various organisations, the most effective way in which we could help was by each house adopting a charity. Over the past year house commitments have been:-

Belvoir: Darul Ihsan Boys
House

Warwick: Singapore Association
for Retarded Children

Chester: Children's Aid Society

Deal: Canossa Convent

Hastings: Salvation Army
Children's Home

Dover: Ramakrishna Boys'
Home

Pevensey: Association for the
Blind

Richborough: School for the Deaf

Rochester: Convent of the Holy
Infant Jesus

Each House set up a Community Service Committee. These Committees visited their organisations and discovered how they could best be of service. Children from the Homes and Schools involved have been entertained at St. John's, dances and concerts have been arranged to raise money and pupils have assisted at the fund raising functions of their charity. The boarding houses have made regular week-end visits-the girls to their convents and the boys to Perak House. Warwick and Pevensey have paid weekly visits in school time to their schools. These regular visits have proved most useful to our pupils and the children they have been helping.

In addition to the House Community Service the school has also been involved in a number of activities; a house has been painted in co-operation with Singapore West Rotary Club in order that the Singapore Society for Retarded Children could use it as a school-about a hundred children and staff gave up a week-end to achieve this; clothes and food have been collected for civilian victims of the war in Vietnam; the Hans Anderson Club have been helped with their Christmas parties and \$500 was raised to help Gurkha Schools in Nepal.

D. J. DAY

EVENTS AT ST. JOHN'S SCHOOL 1967 · 68

Brigadier H. Thomas C.E.O.

Instr. Capt. Poll, RN.

Group Captain T. J. Mair, M.A., M.E.D.

Lt Col R. J. Bond, SO1 Edn and Lt Anderson, CO 18th Signals Regt. visited the school several times during session 1967-68.

P.E. REPORT (BOYS)

RUGBY :-

A group of forty boys formed a very enthusiastic Rugby group and fixtures were arranged with Army Units during the First and Second term.

Although the team was always much lighter than the opposition, all games were very closely contested.

In a match against the boys of Changi Grammar School, St. John's scored a convincing win by 2.5 points to 0.

A seven-a-side schools competition was organised by Seletar Sec. School and our 'A' seven beat our 'B' seven in the final.

A Junior XI for boys in the Fourth form played matches against Changi, Seletar, and Bourne.

In a fast and exciting match against the staff, the school side lost by 12 pts. to 3 pts.

School colours were awarded to fourteen boys who played in the Rugby team.

SOCCER:-

The school team has had another successful season and have reached the final of the Singapore Schools Tournament for the third year in succession. In addition to school fixtures, a number of friendly games have been played and with a total of seventeen games played, an unbeaten record has been maintained.

It would be unfair to mention any players as being outstanding as the keynote of their success has been teamwork. Ten of the team represented Singapore Schools in the Singapore Youth Competition.

School colours were awarded to eleven boys who played in the Soccer team.

A few games were played by a team of 4th Form boys against Bourne and Seletar Schools.

A 2nd XI for senior boys played against Slim School Malacca and Changi Grammar School.

HOCKEY:-

This game was played during the First Term and a series of fixtures were arranged against Army Units. Although the season was fairly short and only twelve games were played, eighteen boys represented the school.

School colours were awarded to four boys. In a six-a-side tournament organised by the Singapore Combined Schools Council, the school side was beaten in the final by a short corner.

CROSS COUNTRY RUNNING

After a heavy training programme held over the school grounds, the school team had a most successful run in the Pasir Panjang District Schools Race.

The Senior team was first out of eighteen teams and the Junior team was third out of sixteen teams.

In a race over the course in the School grounds the School team beat the American team.

School colours were awarded to three boys.

ATHLETICS

A large team represented the school at the Pasir Panjang Dist. School Sports. Many of the pupils were successful and go forward to represent the District at the Combined Schools Athletic meeting in July.

TENNIS

In the Singapore Inter Schools Tournament, the School team were beaten in the semi-final by Raffles Institution.

SCHOOL SPORTS:-

Our Third Annual Sports were held at the Dover Road Athletic Stadium on Wednesday 5th June-Many excellent performances made the Sports a most exciting and interesting spectacle. Thirteen new records were created and the good Athletic record of the school was well maintained.

The Inter-House Championship was closely contested by Pevensey, Warwick, Chester and the Boarding Houses.

Warwick House finished champions and so completed a fine team effort by winning the Swimming Gala and the Sports in the same year.

SWIMMING:-

A group of boys trained during the second term in the school pool during games periods, and successfully passed the A.S.A. Personal Survival Awards. A total of 21 awards were gained.

2 Bronze, 9 Silver, 10 Gold.

Thirty three awards were gained by boys in the school for Life Saving. All the candidates sat and passed the Bronze Medallion of the Royal Life Saving Society.

PE REPORT (GIRLS) 1967 · 68

- Hockey (1) — Winners of Singapore Inter-District Hockey League 1967.
