

and Daddies are coming to look at our books
and next week we have our concert. Miss
Burke is much better now and she hopes to be
back with us some time next week. I hope
your Daddy is feeling better now. Remember
to help your Mummy whenever you can. I miss
your help in the mornings but sometimes Paul
helps me on his own.

All the class send you their love and
they hope you are happy. A happy Christmas
to you and all your family

Love and God bless you
B. Everington.
